4. Communications

- A. Events Committee: Corinne and Tracy reported that they are still working on the new Easter event and a Thursday Farmers Market. Jason has contacted a few stage vendors for the Mint Fest and is going with a more complete set up this year.
- B. Marketing Committee: Tyler was unable to attend today. Heather stated that the committee is working on the rebranding and have narrowed down a few options. They are also working on a tag line. The marketing committee is also assessing what forms of media are best for promoting the downtown. They are asking for \$12,000 in next year's budget. The breakdown of costs will be presented at the budget meeting.
- C. St Johns Chamber: Jason Denovich reported that the next Chamber Luncheon will feature Bob Trezise from LEAP. The chamber is also creating a St Johns coloring book which they will sell at cost for businesses to hand out. Jason passed around some of the proposed images for the coloring book. Mariah stated that there are quite a few vendors for the Spring Fling and the chamber will be getting some porta johns for the event, since the Depot is already reserved.
- D. Executive Committee: Jason said he would like to give a report on matters that were discussed at the executive committee meeting. Many of the subjects later on the agenda where discussed. Jason also mentioned the talks with Treasurer Kinde related to the CIP and parking lots. The parking lot in the most need would be the West Higham Street lot. The city would be more in favor of putting money toward that project if the DDA contributed. Jason would also like the neighboring businesses to be able to weigh in on the lot plans. Jason would like to have a meeting to discuss. The Mayor, Tracy Kossaras and Nancy McKinley would like to be a part of that discussion. Heather will send out a go to meeting email to shop times for the meeting.

5. Old Business

A. 2023-24 Budget: Because of the lack of progress on the Wilson Center the board of review decreased the value of the property. This decrease caused the DDA TIF funds to go down \$26,000, giving us less budget to work with next year. All committees need to have their budgets to Heather before the next Executive meeting so that they can have a budget to present to the board at the April Board Meeting. The Budget will then go to the City Council for inclusion in the city budget. Kristina Kinde stated, they like to have the budget completed in April for adoption in May with the fiscal year starting on July 1st.

6. New Business

- A. Downtown Camera Opportunity: We have one remote TV camera already in downtown and a competing station would also like to place a camera. The decision was to send this discussion to the Marketing committee.
- B. Match on Main: 2 stores downtown were chosen to participate, Clinton County Art Gallery and Rise Up Co. Both grants have been turned in to the MEDC.
- C. Social Districts: Jason Butler was heard that social district are being added to many towns in Michigan with good results. Heather asked for comment on the MDA website and received only positive responses. There was discussion of the need to allow people to walk around with alcohol. There was discussion on limits and hours of operation. There were concerns about allowing alcohols at youth centered events. Chairman Butler went round table and asked for board opinions, most were okay with investigating the options. Chairman also asked the Chief of police about any issues and he felt if it was properly restricted it could be doable. Chairman Butler will do some more investigation.
- D. Meeting Location: This is our second meeting at the Fire Hall/PSD office. How do people feel about this location versus Main Street Café? While some miss the ability to eat while they are at the meeting, in general most like the office for less distractions and the use of the screen as a visual aide. We will continue the meetings at the Fire Hall/PSD office.

Motion by Bruce Delong, seconded by Tracy Kossaras to adjourn the meeting, motion carried. Meeting adjourned at 12:31pm

4. Communications

A. Design Committee up Date: Amber presented a slide show about her proposed changes for the downtown benches and waste receptacles. To replace every bench and receptacle with the exact number we have now, the current bid is \$41,827.21 from Kirby Built. Amber is researching one more bid. There was discussion of the city chipping in. There was discussion of powder coating that was found not to be a cost savings. There was discussion of if we could us the CRCF grant for these items and it was decided to give it a try. Heather stated that the grant is due by the end of April and she will need specific costs to write the grant. Amber also presented the Facade Grant Applications; there were 5 that were considered and it was decide to go with 2 of the applications which we would fund at 50% Ken Harris's building which houses Tami's Tutoring, \$4836.85 and 50% Jet Speed Printing in the third block \$2010 for a total of \$6846.85. This leaves us with \$23,153.15 to divide up amongst 3 very large façade projects. There was discussion on corner buildings needing more work. There was discussion on stucco versus brick. It was decided that the board needs more time to make a decision on the rest of the projects and will discuss them at the April Meeting.

5. Old Business

A. None.

6. New Business

A. Capital Region Community Foundation Impact Grant: as mentioned above it was decided not to use this grant for further Façade improvements but to try for the benches and receptacles.

Events Committee Meeting Minutes March 2, 2023

Members Attending: Nancy McKinley, Tracy Kossaras, Jason Butler, Jamie Madar and Heather Hanover

- 1) Budget: Heather presented a proposed budget. The cost of the hot dog cart is a variable but we might be able to get a grant for part of that and possibly some of the live music.
- 2) Easter Bonnet Parade: There was discussion on the event. The consensus was to give it a try. The name of the event was discussed and Jaime suggested changing it to a "Bunny Hop". The committee liked that name a lot better. We need to make sure the stores will stay open. Jason will ask the third block, Tracy will ask the second block and Heather will talk with the first block. If it is a go, Heather will work with Marketing to get a flyer together, talk to a music performer and work on getting a bunny costume. The committee also talked about the Third Thursday Markets in the summer and how to charge for those. It would be great to have people sign up and pay online. \$10 per, or \$25 for all 4 was discussed. It was also decided that Higham Street west of downtown would be the best location for the market.
- 3) Spring Fling May 13, 12-4pm the chamber has a lot of vendors and sponsors, we are supplying 2 musicians.
- 4) Mint Beverage Tent Singer: the company Jason has supplying the stage will also be supplying an engineer, speakers and lighting. We still need a band for Saturday Night. Jaime has a connection with Kyle Jennings a fairly famous Nashville star that lives in Michigan. She will contact him to see his availability and price. The stage company is also requiring 24 house security for the stage and equipment. We will need to hire someone for Friday and Saturday Night at a cost of around \$800.

Marketing Committee Minutes March 16, 10 am PSD Office

Present: Tyler Barlage, Ethan Painter, Emily Baudoux, Kim Zuehlke, Julie Tadgerson and Heather Hanover

Julie Tadgerson reported on the results of the Fall "St Johns, We Are On Your Way Campaign". The group looked at the number of impressions from the carousel of adds that were placed on the WLNS Facebook page and reviewed the commercials that were created. The cost to businesses was only \$150each for the whole package because of the grant we received.

- 1. Camera Downtown: WILX would like to have a remote Camera Downtown. We currently have a WLNS camera in the 2^{nd} block. The committee's recommendation would be to put it out there to the building owners. The preferred location would be the first block and face it north toward the Veterans Memorial.
- 2. Marketing Budget: The budget was discussed for presentation to the whole board. The committee would like to do more online advertising and less TV but they did see some value in the TV coop program that we have done in the past. The group would also like to spend some money on a quality logo that will have staying power. Tyler Barlage had a presentation of what he learned at the MDA conference from a speaker on marketing and promotion. The process of rebranding should start with 3 to 5 authentic attributes of your downtown. They must be real and verifiable. Once you have these you can make a logo that is centered around the true identity of your downtown. The group agreed to ask for in their budget: \$2500 for Holiday TV adds, \$1000 for the Farmers Market Ads, \$2000 for a new logo, \$4500 for online ads and \$2000 for radio commercials for a total of \$12,000.
- 3.Use of funds for events: The BunnysHop event is coming up. Does the group approve of using some of our marketing money on boosting the event on Facebook and doing a few radio ads. The group approved \$100 for boost and \$100 for radio ads.
- 4. Branding: Vickie kindly had her graphic artist mock up a few logos. They looked great but were a little busier that the group was thinking and after the marketing discussion from the MDA conference the group would really like to have our unique attributes represented in a simple logo that will be easy to see in small thumbprints and mobile apps. After the budget is approved by the board, the committee will decide how they want to move forward with the branding.

Executive Committee Meeting Minutes March 28,2023

Members attending: Jason Butler, Bruce Delong, Tyler Barlage, Kristina Kinde and Heather Hanover

- 1. 2023-24 Budget was discussed. Each Committee provided a wish list for the 23-24 budget. The Executive Committee considered each request and went through the DDA budget first, line by line. The DDA portion of our finances has a larger reserve which is available for use. The committee decided to use the money now versus saving for a future land purchase as the board has done in the past. The general feeling is that we do not have the money or the staff to do land acquisitions at this time. The committee was also in favor of continuing the Façade Grant program and funding it again at the current level even with decline in revenue. They also discussed purchasing new trash cans and benches. Bruce is looking into ways to make our current benched look better. Bruce feels the trash cans are beyond repair and are undersized. They need immediate replacement. Possibly the trash cans can be replaced this year and the benches in the future. The DDA budget, as discussed, will be presented at the April 5th board meeting. The committee next discussed the PSD budget. The Marketing Committee was asking for advertising money and funds for developing our new brand. The Marketing Committee's requests were incorporated into the budget. The Event Committee's budget was similar to budgets in the past with the addition of requesting a hotdog cart. The Event Committee requests were added to the budget including the hot dog cart, with the hopes of getting a grant to cover that cost. The PSD budget, as discussed, will be presented at the April 5th board meeting.

Michigan Downtown Assoc. Spring Meeting Recap: 3-9-23 Heather Hanover

The workshop this year was at the Graduate Hotel and Conference Center near MSU. Tyler Barlage, Amber Haubert and I attended.

It was nice to talk with other downtown directors to see how things are handled in their Municipalities. I sat with the directors from Frankenmuth, Ada and Trenton.

*Leigh Young from the MEDC talked about the Main Street Solution Center website. It is a valuable resource for downtown managers and is free to use even if you aren't a Main Street Community(you must have a full time director to be a Main Street Community).

*One of the round table discussions was on the value of having a Downtown Organization/Director. It was interesting to hear other cities troubles and how they handle them. Molly Lalone from Lake Orion talked about the issues they have had with new city commissioners and their desire to get rid of the DDA. We don't have the same issue because our tax capture is small but in other cities like Lake Orion who have had their DDA for many years, a good chunk of money is going to the DDA which leaves less money for the city council to spend in the city. Their compromise was to in the future give any tax revenue increases in the downtown district, 75% to the city to decide where it is spent and 25% to the DDA to decide it's best use. Other interesting fact in Lake Orion the DDA paid for the public bathrooms in the firehall, so that they could be available for shoppers and events. The director from Wyandotte also talked about their social district which has been a big benefit and is open form 11am to 11pm 7 days a week. *Another round table panel was on parking. It sounds like almost every city has talked about parking for ever. One gentleman even referred back to their city's first parking discussion which was a problem with horses and cars competing for the same spots. Alpena is considering the reinstallation of parking meters. Alpena currently pays \$30,000 a year to enforce parking in their downtown and hope to recoup some of the cost with meters, which they figure will return \$3000 per year. They also asked for a show of hands if other towns were considering the change and I would say about 15% raised their hands. The director from Traverse City said that they currently charge \$1 per hour everywhere, all the time and that is hard on employees. Traverse City is considering demand-based parking. The demand-based parking would have different prices for prime areas in the hopes of redistributing the parking and spreading out usage. At my table Frankenmuth said they have no public parking and no on street parking. They help by having a free bus to get around town on Friday through Sunday. Trenton also has no public parking. Ada currently has no rules on parking. You can park anywhere for as long as you want.

The last panel discussion was on branding and marketing. The presenters talked about having an authentic brand. You need to have 3 to 5 unique attributes for your downtown that are true and backed by evidence. Otherwise, your brand will fail. They also stated that no tag line is better than a bad tag line.
